Summary — To be a part of an organization that can give me an opportunity to utilize and enhance my software skills and thereby contribute to the growth of the organization. I believe that my determination and passion for learning helps me to excel and add more value in the software field

Technical Skills

Languages	Python (Basic), Core Java, HTML (Basic)
Database	MySQL (Basic)
Tools & Technologies	GitHub, VS Code

Projects

College Transportation System

- Built an online bus booking system enabling students to reserve seats digitally.
- Implemented separate student and admin dashboards with booking and schedule features.
- Added search and filter options for routes and timings to improve usability.
- Automated schedule and seat availability updates to reduce manual work.
- Developed backend logic in PHP for bookings, cancellations, and live availability.

Quickpickup System

- Developed a full-stack stationery and printing platform with scheduled pickup.
- Implemented role-based authentication for students, shopkeepers, and guests.
- Designed categorized listings with stock updates, search, and filters.
- Built shopping cart with quantity updates and smooth checkout flow.
- Automated order flow with pickup code generation and status tracking.

Emotion-Aware Intelligent Virtual Assistant

- Developed a machine learning-based virtual assistant using face recognition, speech recognition, and emotion detection.
- Implemented CNN-based face authentication for secure user identification using OpenCV.
- Built speech-to-text and NLP modules for understanding voice commands and generating chatbot responses.
- Designed multimodal emotion detection using CNN and RNN/LSTM models for adaptive interaction.
- Integrated behavior tracking with personalized reminders and recommendation-based user interaction.

Education Credential

PES Institute of Technology and Management <i>Bachelor of Technology in Computer Science</i>	Shimoga, India 2023 - 2027
SRS Residential <i>Pre-University College (PUC)</i>	Chitradurga, India 2021 - 2023
Vidya Vikasa Vidya Samasthe <i>High School</i>	Chitradurga, India 2019 - 2021

Certifications

Infosys Springboard:HTML , Python(basic)
Course Completion Certificate
Hackathon Participation-College Level(PESITM,Shimoga)

Achievements

- Served as the **Technical Coordinator** and successfully organized technical events such as hackathons at the department level and college-wide technical events.
